MONTHLY PARKER VEHICLE INFORMATION CHANGE / UPDATE

TO: All Atlantic Station Monthly Parking Pass Holders

FROM: Lanier Parking

RE: Parker Information Update Request

Atlantic Station has recently completed an upgrade to the Parking Access and Revenue Control System.

The new parking system will:

- Read the license plate of each vehicle upon entering and exiting the garage
- Automatically raise the gate for vehicles associated with a monthly parking account
- Allow parkers to still use the old parking access card if the machine has trouble reading your license plate
- Give parkers the chance to register up to three vehicles on the same account
- Only allow one vehicle per individual account in the garage at any given time

Please fill out the form below and return it to Lanier Parking via email at asparking@lanierparking.com.

- Managers of company accounts, please provide a spreadsheet with this information in lieu of individual forms.
- Submit this information to asparking@lanierparking.com to have the system recognize your license plate.

If you have any questions or concerns, please do not hesitate to contact the Lanier Parking office at asparking@lanierparking.com or 404-249-9138.
